Spring Break Camps

Spring Break

Animal Camp (ages 5-14)

Join Heritage Humane Society for our popular Animal Camp! Children will learn animal safety, responsible pet guardianship and about all kinds of animals from pets to wildlife. Enjoy games, crafts, prizes and end the week with a classroom pizza party. Guest speakers and animal interactions round off the week of this fun and educational animal adventure. Each child receives a Heritage Humane Society Animal Camp T-shirt for participating. Space is limited. To register or for more information, visit our website: heritagehumanesociety.org or email: info@heritagehumanesociety.org. HHS M-F 4/1-4/5 9am-4pm \$275

Kidz Clay Camp (ages 9-14) **NEW!**

Five whole days to explore clay! We'll work on the potter's wheel, hand build and sculpt... all while learning why clay can do what it does and how it's been used through history. Bring a bag lunch daily. \$40 is due to the instructor at the first class for materials. Work will be fired for later pick up. Dress for mess! Instructor: Beth Turbeville, Professional Potter. JCCRC M-F 4/1-4/5 2-5pm \$95/\$90 204120-A

Make your mark... in clay!

Summer Camps

Preschool

Mini-Doodlers Camp (ages 3-5)

Campers will have fun exploring art on different types of surfaces, with different types of paints and will use common household items such as marbles, sponges and cotton balls to create their own masterpieces. Please wear appropriate clothing and/or bring a smock each day. Participants must be potty trained. JCCRC M-Th 6/17-6/20 2-4pm \$65/\$60 206190-A

Little Tykes Summer Camp

(ages 3-5)

Dramatic play stations, creative crafts, interactive stories and songs, music and movement and themed related circle time and activities are just a few features of a fun-filled week of adventure. Each day will start with greet and meet time, continuing with a theme-related circle time with stories, music and movement, arts and crafts, games and a mid-morning snack. Special activities include weekly swimming and visits from the library reading program. Children must be potty trained. JCCRC

W/Th/F 8/7-8/30 1-4pm \$210/\$205
308820-A

Cut-it-Out Animation

(ages 9-12)

Create a 20-second cut-out stop-motion film from start to finish. We'll get our inspiration by previewing a variety of animated clips. Then, we'll generate our own story ideas, draw them out, cut out scenes and characters from a variety of materials, and film them as part of a final project. JCCRC

M-F 6/17-6/21 10am-noon \$65/\$60
206190-C

NEW!

Junior 4-H Scientist Adventures Camp

(9-13 years)

Make science and engineering come alive by extracting DNA from a strawberry, launching a rocket, designing a boat, exploring wildlife habitats and more. We'll experiment with the science of agriculture in two field trips – one to the Randolph Farm at Virginia State University in Petersburg and the other to the Science Museum of Virginia in Hampton. Instructor: Ann Beatty. JCCRC

M-F 7/8-7/12 9am-4pm \$130/\$125
206190-K

Aviation Summer Camp

(ages 9-13)

Want to learn about flying a plane?

Get introduced to aerodynamics, airplane controls and design and learn about the forces that act upon an airplane while in flight. A visit to the airport is included, where we'll experience the cockpit of a Cessna as well as a trip to an aerospace museum. We'll also compete in a rocket building contest and learn to compute distance using mathematical formulas.

Fee includes all materials, a T-shirt and snacks. For more information or to register, contact yaef@cox.net or call 757-369-5004. Offered in partnership with the Youth Aeronautics Educational Foundation, a non-profit organization that provides youth with educational opportunities to achieve careers in aviation, engineering and related studies. JCCRC

M-F 7/15-7/19 9am-noon \$100

4-H Robotics Camp

(ages 9-13)

4-H Robotics promotes development of science, technology, engineering and mathematics skills in youth. Beginners will explore 4-H Virtual Robotics using videos and simulations to build an engineering foundation. Intermediate participants will begin with 4-H Junk Drawer Robotics making robotic parts and pieces from everyday items.

Both beginning and advanced participants will explore 4-H Platform Robotics with a LEGO NXT robot.

Instructor: Ann Beatty. JCCRC

M-F 7/22-7/26 9am-4pm \$95/\$90 206190-N

Dance Camp

(ages 9-14)

Learn the fundamentals or expand your knowledge of styles and technique! Ballet, Hip Hop and Jazz explored.

Bring water and a healthy snack daily.

Instructor: Lindsey Kravitz. JCCRC

M-F 7/15-7/19 1-4pm \$95/\$90 307534-A

Register Early!

Nothing cancels a great class quicker than waiting until the last minute to register. If minimum registration isn't met by targeted dates, the course may be cancelled.

Camp Clay-Clay

Creators (ages 9-14)

We'll view pottery pieces from around the world for the inspiration to design and make our own. Students will explore the potter's wheel.
